

Welcome to the video pitch!

A few guidelines:

1. Turn your cellphone off
2. Comb your hair
3. Read “Making Movies in LA”
 - a. Add slides to the end of your Powerpoints, create the trailer.
 - b. Remove several slides, shoot for less than 10 minutes
4. Practice advancing the slides using the keyboard, quietly.
5. Sit up
6. Look at the camera
7. Get psyched!
8. Long fade out at the end
 - a. Be quiet
 - b. Keep smiling

Take away

You'll leave with the video pitch on DVD, but it's not for playing in a DVD; play it on your PC, then upload it to your website. Angelsoft.net accepts applications from entrepreneurs and during the application process you can upload your video pitch.
